**Variable Rate Information:** If your APR is variable, it will vary based on the U.S. Prime Rate. This means it could increase if the U.S. Prime Rate increases or decrease if the U.S. Prime Rate decreases. An increase or decrease in your APR will affect the total amount of interest you pay and your Minimum Payment Due amount. Your APR is determined monthly on the first business day of the month by adding a Margin to the U.S. Prime Rate published in the *Wall Street Journal* on the first publication day of the previous month.

**Payments:** Payments may be made by mail, electronic transfer, or at a branch in person. All payments must be made in U.S. dollars. Payments you mail must be addressed to Navy Federal, P.O. Box 3500, Merrifield, VA 22119-3500. Payments we receive by mail at this address by 5:00 pm ET will be credited the same day. In some cases, available credit may be delayed until the payment is verified. Mailed payments to your credit card account may not be commingled with funds designated for credit to other Navy Federal accounts. We will accept late or partial payments without forfeiting any of Navy Federal's rights under this Agreement. Payments that are marked "paid in full" and that are of an amount less than the balance on the credit card account, or that are marked with any other restrictive endorsements, should be sent to P.O. Box 3501, Merrifield, VA 22119, Attn. Credit Card Division.

**Transactions Made in Foreign Currency:** All Visa purchases and cash advances will be billed to you in U.S. dollars. The rate of exchange used for processing international transactions is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives or the government-mandated rate in effect for the applicable central processing date.

**Paying Interest:** Your due date is at least 25 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your entire balance by the due date each month. We will begin charging interest on cash advances, balance transfers, and convenience checks on the transaction date.

**ATM Cash Advance Fees:** **None** if performed at a Navy Federal branch or ATM. Otherwise \$0.50 per domestic transaction or \$1.00 per overseas transaction. If you use your card at an ATM not operated by Navy Federal, you may be charged an ATM fee by the owner of the ATM.

**How We Determine the Amount of Interest Charges:** We use the daily balance method (including new transactions) to calculate the Balance Subject to Interest Rate. For more information about this method and how your interest charges were determined, call us at 1-888-842-6328.

We calculate the interest charges separately for each Balance Subject to Interest Rate. The Balance Subject to Interest Rate is the average of the balance type's daily balances during the billing cycle. Your interest charges can be determined by multiplying the Balance Subject to Interest Rate by its daily periodic rate and the number of days in the billing cycle. The daily periodic rate for each balance is equal to its APR divided by 365.

**Payment Allocation:** In general, we will apply your minimum payment to interest and fees first before applying it to principal balances. If your account has balances with different APRs, we will apply the minimum payment first to the balance with the lowest APR before balances with higher APRs. Any payment amount in excess of the minimum payment will be allocated to the balance with the highest APR and any remaining portion to the other balances in descending order based on the APR.

excess of the minimum payment will be allocated to the balance with the highest APR and any remaining portion to the other balances in descending order based on APR.

#### Billing Rights Summary

*What to Do if You Think You Find a Mistake on Your Statement*  
If you think there is an error on your statement, write to us at:

Navy Federal Credit Union  
P.O. Box 3501  
Merrifield, VA 22119

You may also contact us electronically through Online Banking at [navyfederal.org](http://navyfederal.org).

In your letter, give us the following information:

- **Account information:** Your name and account number
- **Dollar amount:** The dollar amount of the suspected error
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing* or electronically. You may call us, but if you do, we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

#### *Your Rights if You Are Dissatisfied With Your Credit Card Purchases*

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (**Note:** Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* or electronically at:

Navy Federal Credit Union  
P.O. Box 3501  
Merrifield, VA 22119

You may also contact us electronically through Online Banking at [navyfederal.org](http://navyfederal.org).

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
